

Alphabet Sound Quick Thinking Game

Format: PDF

Pages: 7

Colour/Black and White: Colour

The Alphabet Sound Quick Thinking Game is a wonderful way of practicing the alphabet sounds and is suitable for two to six players. For beginning children the objective is for them to think of an object/animal/name that starts with a particular initial sound within the time given. For older or more advanced children the game can be changed to make it more difficult.

This is a competitive game which is great fun for all ages!

A storage box is included.
