

# Alphabet Sound Wheels

**Suitable age:** Preschool up

**Prior knowledge required:** None

**Format:** PDF

**Pages:** 7

**Colour/Black and White:** Colour

This resource is made up of five different 'Alphabet Sound Wheels'. Each of the wheels concentrate on different alphabet sounds.

To make them you will need heavy white card (preferably coloured card also) and metal fasteners.

The whole alphabet is covered with these wheels making this resource is a wonderful way for young children to be introduced (or to revise) their alphabet sounds.

An example wheel is below (actual size).
