

HFW Ants - Sixth (20 Words)

Suitable age: Preschool up

Format: PDF

Pages: 9

Colour/Black and White: Colour

This resource is the final one of six. It follows on from the HFW train, HFW hot air balloon, HFW elephant, HFW bee and the HFW rain resources. Together these six resources cover the first 100 high frequency words.

This cupcake and its ants contain the last 20 most common high frequency words. They are all individual pieces so that you can make the resource fit into the wall space you have available.

If you are working with a group of children you can write the names of the children who need to learn these words onto the cupcake with a black whiteboard marker. Once a child can fluently say all of the words they should move onto the next 100 high frequency words.

Flashcards have also been supplied so that children can get more practice at the ant words, but in random order.
