

# HFW Bees - Fourth (20 Words)

**Suitable age:** Preschool up

**Format:** PDF

**Pages:** 10

**Colour/Black and White:** Colour

This resource follows on from the HFW train, HFW hot air balloon and the HFW elephant resources. These bees contain the next 20 most common high frequency words.

The flower and its bees have been designed to be displayed on the wall. They are all individual pieces so that you can make the resource fit into the wall space you have available.

If you are working with a group of children you can write the names of the children who need to learn these words onto the flower with a black whiteboard marker. Once a child can fluently say all of the words they should move onto the next set of words.

Flashcards have also been supplied so that children can get more practice at the bee words, but in random order.
