

HFW Hot Air Balloon- Second (10 Words)

Suitable age: Preschool up

Format: PDF

Pages: 5

Colour/Black and White: Colour

This resource follows on from the HFW train and its ten carriages. This hot air balloon and its clouds give children practice at the next ten most common high frequency words.

The hot air balloon has been designed to be displayed on the wall. The balloon and the clouds are all individual pieces so that you can make the resource fit into the wall space you have available.

If you are working with a group of children you can write the names of the children who need to learn these words onto the hot air balloon with a black whiteboard marker.

Once a child can fluently say all of the words they should move onto the next set of words.

Flashcards have also been supplied so that children can get more practice at the hot air balloon words, but in random order.
